

Kansas Emergency Management

Mass Fatalities Incident Response

February 14-15, 2007
Wichita, Kansas

G386 Mass Fatalities Incident Response

- prepares local and State response personnel and other responsible agencies and professionals to handle mass fatalities effectively and to work with the survivors in an emergency or disaster;
- covers incident management, mass fatalities, planning before and operations during an incident, establishing the morgue, family assistance support operations, and assistance from the Federal government;
- concludes with a tabletop exercise.

Target Audience

The course is designed for a wide audience, encompassing the range of personnel with a role to play in mass fatality incidents. Coroners, medical examiners, funeral directors, heads of first response agencies (fire, police, EMS, etc.) planners, and emergency management coordinators will benefit from this course.
